Foreward

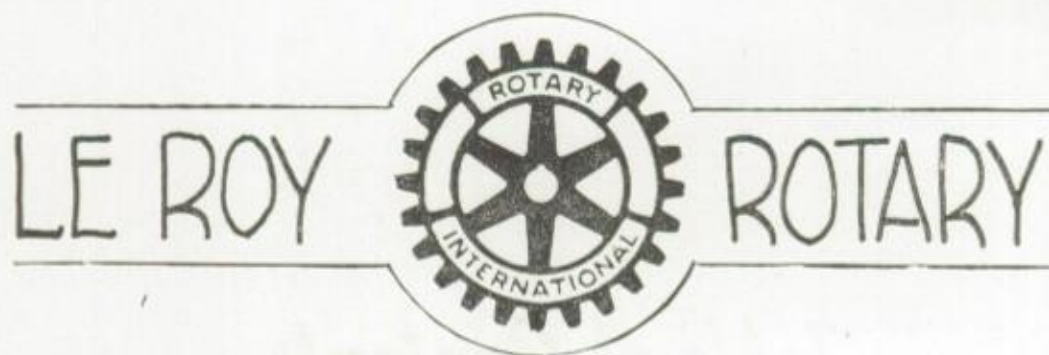

The theme for this year's Oatkan is "HANDS".

Down through the ages hands have been used to symbolize the accomplishments of men. The skillful hands of the surgeon—operating with precision—saving lives. The busy hands of the housewife—ceaslessly performing the little tasks—making a house a home. The flashing fingers of the violinist—changing the printed notes into a beautiful melody. The powerful hands of the blacksmith forging steel. The artistic fingers of the painter capturing a changing world on canvas. The guiding hands of a policeman directing the traffic at a busy intersection. Yes, hands dramatize the accomplishments of men.

Throughout this year your hands have been busy. You have made cakes and pies, typed letters, played instruments, twirled batons, written compositions and carried that football into the endzone for a touchdown. We hope that "HANDS" will help us tell this story.

Dedication

Everyone knows that example is a prime factor in the education of youth. The Le Roy Rotary Club has set for us an admirable example of friendship and service by such actions as entertaining the senior boys as guests, sponsoring Hallow'een activities for Le Roy youth, spreading the Christmas Spirit among children, and maintaining a scholarship program which has enabled many boys and girls to complete their education.

So with pride we, the class of 1957, dedicate this OATKAN to Rotary, to that spirit of service above self that it has exemplified so well to the youth of Le Roy in its various projects.

Recognition

DONALD E. HERR

It is practically impossible to be in a position of complete authority over a group of students and never once lose their trust and admiration. Dr. Donald Horr has accomplished this feat. Through all the disappointments, warnings, disciplinary actions and bits of advice, as well as the compliments, encouragements and praise throughout our high school career, he has been admired, respected and loved by each of us. Never too busy for a friendly grin or a confidential chat, he has taken the time to become a close friend to each and every high school student. His fairness in dealing with problems and his respect for student opinion has earned him the reputation of being our friend instead of our commander. As a seventh grader once said, "He's on our side!" What could be a better compliment for a superintendent of schools!

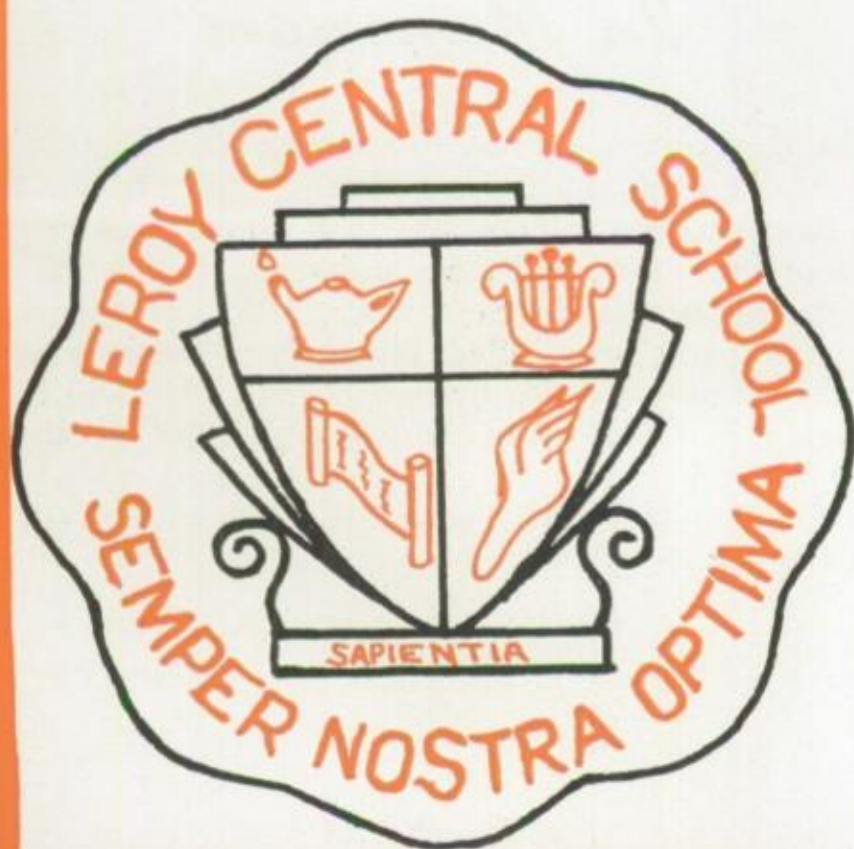

THOMAS KUNEGO

In Memoriam

Thomas Kunego graduated from Le Roy High in 1953. President of his senior class, member of student council and varsity football player, Tom was well known and respected throughout the school and community.

Entering service in September, 1955, Tom became a Naval Cadet and was killed November, 1956, when his plane crashed near Corpus Christi, Texas. He will be long remembered in Le Roy for his friendly smile, gentlemanly manners and fine character. His name is now added to the honor roll of those Le Roy graduates who have given their lives in the service of their country.

THE ADMIN

ISTRATION

The Board of Education

Arthur W. Symonds, Harris MacKenzie, Almeron W. Wilcox, Lester A. Pridgeon, Clarence A. Lapp, Ralph L. Jenner, Sidney D. O'Shea

A meeting of the voters of Le Roy is held the second Tuesday in July. Nominees for the Board of Education positions must submit a petition containing twenty-five names. This must be done ten days prior to the annual meeting, for consideration in voting. On the following afternoon the slate is presented to qualified voters of Le Roy who then elect the members by secret ballot. The members this year consist of Sidney D. O'Shea, building contractor, who has served on the board since 1947; Ralph Jenner, President of Lapp Insulator Company, who has served on the board since 1948; Clarence A. Lapp, part owner and operator of the Lapp Lumber Company, a member of the board since 1948; Arthur D. Symonds, owner and operator of a farm, who has served on the board since 1952; Almeron Wilcox, owner and operator of a farm, a member since 1949; Harris MacKenzie, owner and operator of a farm. Mr. MacKenzie has served on the board since 1949. We owe a great debt of gratitude to these men who make up the board for they are the foundation of our school system. They promote the major policies of the school. These men have such duties as: employment of the members of the faculty and administration, arranging for the maintenance of the school buildings and grounds. They also have the responsibility of collecting funds, by taxes, to make our school possible. These men carry out their responsibilities with efficiency as is shown by the smooth operation of our school administration, and by the beauty of our buildings and grounds. To these men we would like to express our deep gratitude by saying, "Thanks for a job well done".

The Superintendent of Schools

DONALD E. HORR

Dear Class of 1957:

Your Commencement is taking place at one of the most exciting times in the history of the world. New horizons unattainable for man for years, have been opened up and they appear to have no limits. You are going into further education or into immediate positions which will involve you in these wonderful opportunities. Make the most of these advantages which are yours in 1957.

We have endeavored to educate you to take your place as contributing members of the society in which you will live, and hope that this background and your own efforts will lead you to the success you desire. Our best wishes go with you on this memorable occasion.

DONALD HORR

The High School Principal

RICHARD C. FITCH

Dear Class of 1957,

We of the Le Roy High School Staff are happy for you at this time of your graduation. We are sorry to lose you but happy for your fine achievements. I, personally, am happy that I have had an opportunity to share in your work, your projects, your pleasures, your plans for the future.

As you enter adult society many words of wisdom and advice will be passed along to you. My advice is to learn the art of self-control. "Everyone who is angry with his brother shall be liable to judgment" MATT. 5:22. When you lose your temper, you lose a lot more at one and the same time. You lose your balance, your poise, your sense of judgment, your mental equilibrium. In other words you become a different person. Self-control may mean the difference between success and failure. When temper is about to fail, pause to look into the face of your Creator and ask His aid to check the rising tide.

Wherever you go, what ever you do, please remember we are always interested in you and are ever willing to help you. May God bless each of you.

Sincerely,
Richard C. Fitch

The Office Staff

VIRGINIA STEVENSON

Mrs. Virginia Stevenson is a very recent and welcome addition to the High School. She is Mr. Fitch's secretary, is in charge of the front office and the telephones. She came to us in December of 1956 and since then has made many friends among the students of Le Roy High School. We are sure that all the students of Le Roy appreciate her very sincere efforts.

JEANNE LUTTRELL

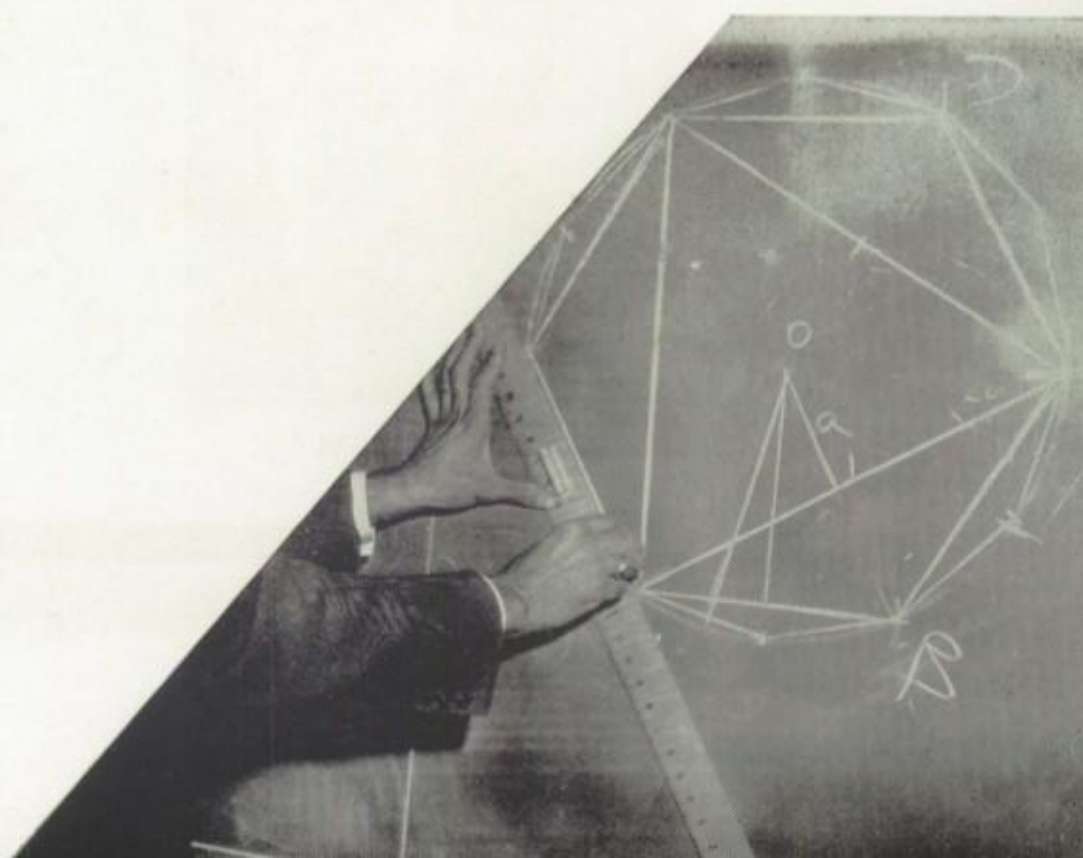

Secretary to Doctor Horr is Mrs. Jean Luttrell. Although few of us ever see her, she is a most important person in our school. She handles most of our school's bookkeeping and is surrounded by machines in her office to help her with her many duties. Because she is out of sight does not mean that she is out of mind, for we all appreciate the services she renders.

Student Council

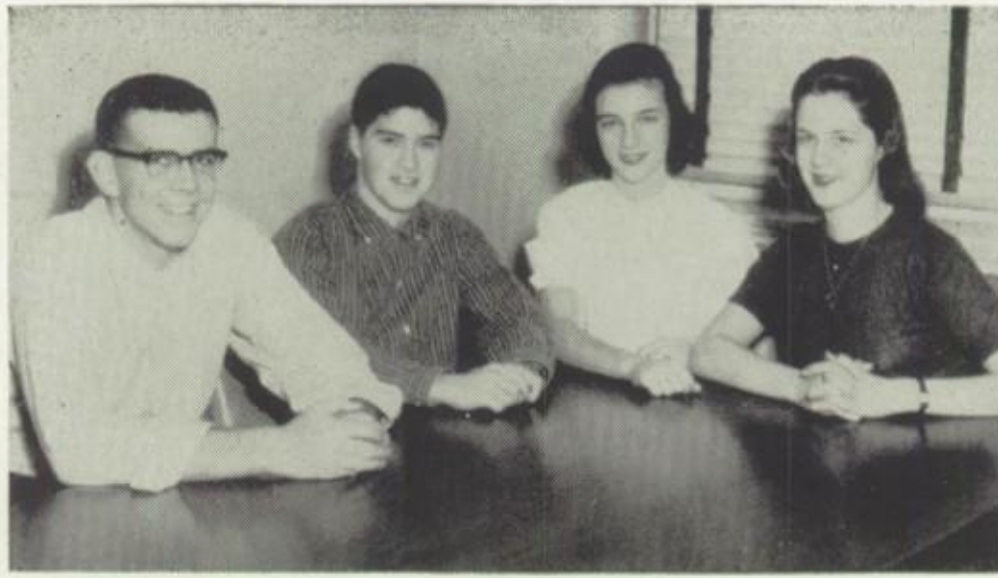

With the capable leadership of its officers and a considerable increase in student interest, Student Council has experienced a very successful year. As the 1957-1958 school year began it was acknowledged that the first item on the Council's agenda, which demanded immediate attention, was a previously incurred debt of \$131.35. The first Student Council sponsored activity, which happened to be the first dance of the year on the new floor of the gymnasium, commenced the drive to rid the organization of its debt. To supplement the financial drive, red and black metallic pins with Le Roy printed on them were sold by the Council. Thus Student Council overcame one of many obstacles facing the governing body of a school.

Another accomplishment that benefited Student Council concerned the members attendance. Previously there had been no set rule governing one's attendance. Consequently the number of student members present at each meeting varied considerably. To meet this situation the following statement was written into the minutes of Student Council: "Any member of Student Council missing

three meetings without an acceptable excuse will be exempt from his duty."

A highlight of this years activities came on November 8th, 1956, when our school and Student Council was host to the Western New York State Student Council Conference. Many hours of planning and working by our own members went into this successful meeting.

As the year progressed into late November the suggested idea of closed dances came before Student Council. It can be said that this idea was one of the most controversial subjects of the school year. A committee was formed which consisted of members of Student Council as well as non-members from various classes. The responsibility of this body was to examine the possibility of closed dances for L.H.S. and to propose a solution. An assembly was held in the early part of January to discuss with the student body the committee's new proposal and to discuss their viewpoints on the subject. On February 5, 1957, after several months of special meetings, opinion polls and an assembly, Student

STUDENT COUNCIL

P. Boylan, A. Cohen, C. Nicholson, K. Jenner

Council adopted the proposal concerning closed dances.

The next big undertaking for Student Council followed closely behind the adoption of the closed dance proposal. Election of next year's president and vice-president was at hand. As in the past few years there were a total of six candidates seeking the two offices. In the preliminary voting the student body elected Wendall Call and Sally Seekins to the Federalist ticket and Douglas Fiero and Josephine Costa to the Nationalist ticket. Thomas Schlonski and Carol Reamer were placed on the Independent ticket. After several weeks of campaigning were completed, Douglas Fiero and Josephine Costa were elected by the student body as next

year's President and Vice-President of Student Council, respectively.

One of the jobs that await some of the officers and members of Student Council every year is that of representing Le Roy in the Genesee County Student Council. This year's delegates attended meetings in several of the area schools. They were Allan Cohen, Carol Nicholson, Kathleen Jenner, David Griffith, Wendall Call and Joseph Lapp.

Yes, our Student Council has had more than a successful year. The year has seen many changes in the Council in the form of attendance rules and general school operations. The success of this year's Student Council is an example of what can be achieved through whole-hearted student cooperation.

O-At-Kan

"We, the Oatkan Staff, are hereby determined to publish the best yearbook in the history of Le Roy High School." This was the gist of the resolution made by the Oatkan Staff at its first meeting early in September, although we realized that probably every preceding staff had the same objectives.

We promptly found out there is much more to publishing a yearbook than meets the eye, but under the capable direction of our advisors, Miss Harrold and Mr. Cahill we got off to a good start.

The problems of a yearbook fall into two cate-

gories, the making of major decisions and the infinitely harder inexhaustible number of trifles which must be decided.

In the major decision category is the picking of a theme. After days of discussion over the suggested topics, "hands" was chosen. The placing of the photography contract, the big subscription sale, the advertising campaign, and the division of the yearbook into sections all represented big decisions.

The yearbook, however, is actually built by solving a series of small problems, insignificant in themselves but absolutely necessary to the completion of the book. Every page had to be laid out and planned exactly as it would finally appear in the printed edition. Not only the size of each picture but the exact number of words on each topic had to be computed and an article written to fit these precise specifications. Deciding whether the senior girls should wear dark or light sweaters or blouses and whether the Board of Education should be a group picture or a number of individual photos are typical of the countless minor problems that had to be settled.

I can think of no better demonstration of the quotation "Trifles make perfection but perfection is no trifle" than the publishing of a yearbook. If you like it, and we certainly hope you do, it will be because of the innumerable trifles which have been met and conquered!

The Red & Black

Approximately once a month at the close of school one can hear the cry of "The 'Red and Black' is out!" At the same time the staff members take time out to relax before the rush to gather news begins again.

The "Red and Black" staff is composed of the first semester Journalism class. Getting under way immediately the class elected their officers early. The following were elected: Editor-in-chief, Joan MacKenzie; Associate Editor, Patricia Seekins; Business Manager, Bill Kinsley.

During the first semester most of the work was done in class. We tried several new ideas this year. Some of them were a school mascot, Leo Roy Lion, drawn by Dick Claus, baby pictures of prominent students, and a fads and fancies column. With our new additions we kept making our paper better.

The second semester we had no class to keep us all together. We kept our paper going due to the valuable guidance of our advisor, Mr. Cahill.

Among the activities for the year was a round and square dance. Although the turnout at this wasn't excellent we realized a slight profit. Another project was selling popcorn at all the home basketball games. Amid much melted oil, salt and popcorn, all had a chance to participate in the sale. The "Red and Black" also sponsored some of the dances

after the basketball games. In an effort to help boost the basketball season along, the staff sold red and black felt booster pins with leather basketballs on them. This was a very successful project also.

In the spring the "Red and Black" sponsored a games carnival. This included a penny race, a jam session, a lindy marathon, a gruesome twosome contest and a cakewalk. Many of the Le Roy students participated in this and all had an enjoyable time. The paper had a very successful year due to much student co-operation.

National Honor Society

Just as many instruments of different types of strings, wood winds, brass, and percussion are necessary to produce the harmony of a beautiful symphony, so many different qualities must combine to produce good student life.

The National Honor Society was start-

ed to stimulate scholarship in the secondary schools of the country, and to endeavor to place secondary education on higher levels. It was decided from the beginning to recognize the qualities of Character, Service, Leadership, and Scholarship in the students of the high

SALUTATORIAN

schools, and in so doing to try to stimulate all members of the school to try to attain those attributes and those elements of high standing.

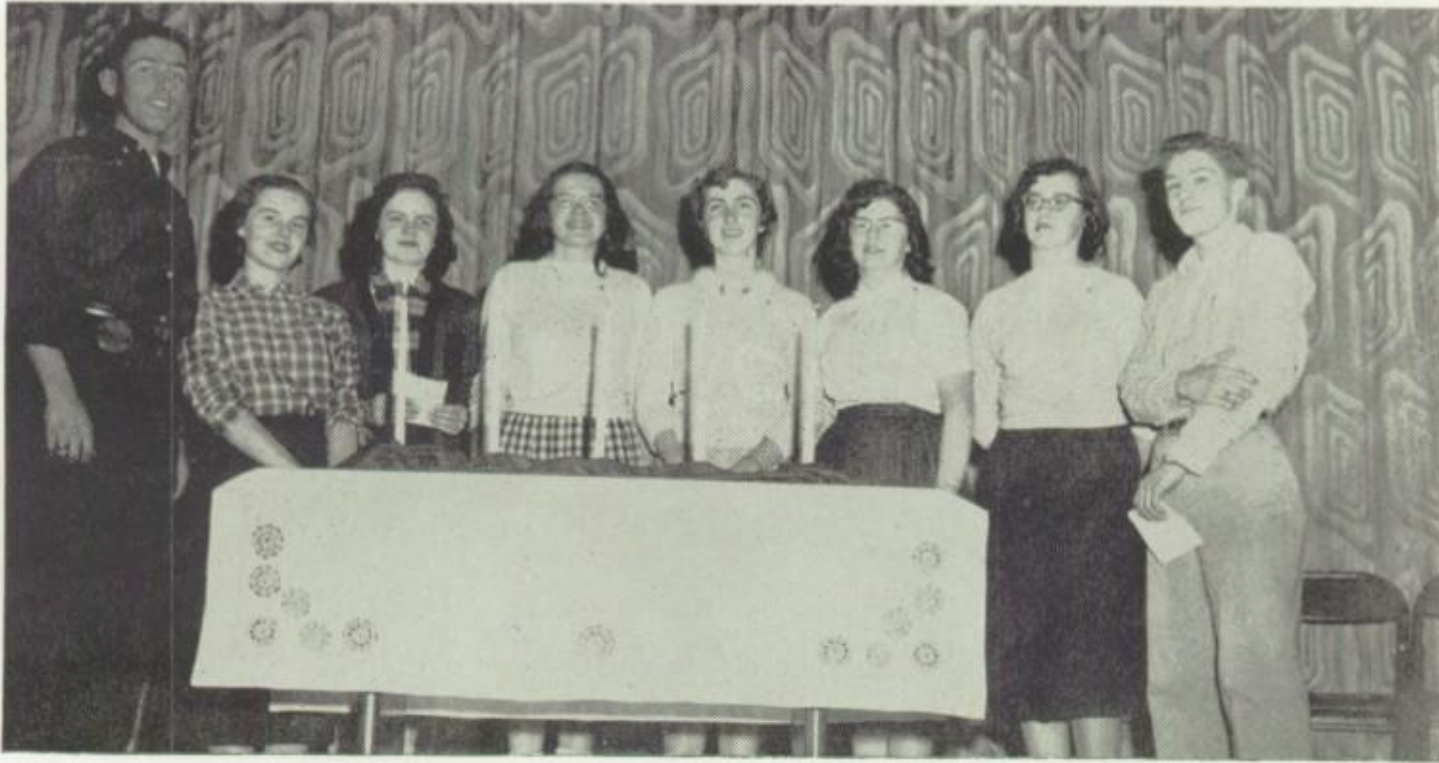

In the spring of 1956, eight juniors were inducted into this society: Allan Cohen, Ann Cromwell, David Griffith, Kathleen Jenner, Samuel Maloni, Polly Mills, Carol Nicholson, and Barbara Shepard. Later Samuel Maloni was chosen president; Allan Cohen, vice-president; Ann Cromwell, secretary; and Polly Mills, treasurer.

In the fall of this school year they inducted the initiates—Barbara Fore, William Graney, William Kinsley, Joan MacKenzie, and Patricia Seekins.

VALEDICTORIAN

Honor Students

Newly elected members of the National Honor Society are the following Juniors: R. Schmelzle, J. Woodruff, E. Lightholder, E. Scott, B. Anchor, S. Pfaff, N. Goode, D. Fiero

The activities of the National Honor Society include a successful CARE campaign and a Christmas dance. In addition the society has traveled to Rochester to see two plays, "My Fair Lady," and "Cry the Beloved Country."

It has been said:

"Four things a man must learn to do
If he would make his record true:
Scholarship: To think without confusion
clearly.
Service: To love his fellow-men
sincerely.
Leadership: To act from honest motives
purely.
Character: And trust in God and Heaven
Securely."
—(Van Dyke)

A tea is held in the fall and spring of each year to honor the new members. Parents and members of the faculty are invited by the Honor Society to attend.

SENIOR PLAY CAST

The Senior Play

This year's senior class presented for everyone's enjoyment a three act comedy by Sumner Locke Elliott, "Buy Me Blue Ribbons," under the direction of Mr. Walter McRoberts. It was presented March 29th and 30th.

Tryouts were in late January with the results being posted in senior homeroom the next week.

"Buy Me Blue Ribbons" is a play which tells of the fight of a childstar to recapture his stardom. His false belief of being an actor is pointed out to him by an actress, and consequently he was forced to drop the play he was in. Being the self-centered child Jordan was, he again began his

merry-chase for a role that would again bring him fame.

The motto of the ten great actors and actresses was, "There is nothing we wouldn't do for our great senior class." With rehearsal practically every night either directly after school or at seven o'clock (prompt?), the play started to take shape. I am not sure it took the same shape the original writers had planned on it taking though. Nevertheless it was presented with great success and the senior class added another great victory to their long list.

RED KEY SOCIETY

In the Red Key Society the "Key" word is "Service". Its members do everything from helping Mrs. Wright in the kitchen to guiding our proud parents through the halls when they visit on various occasions throughout the year. They are hall monitors during the passing of classes, which are the most hectic 21 minutes spent all day, or lunch line monitors at the noon hour rush. They may even pop from behind the curtains in some class skit at which they may have been chosen to move stage settings or push the stars from the wings on the stage. During the basketball season you can't enter the gym unless you know the password, for it too is guarded by Red Key members.

To sum it up in a very few words the members of the Red Key Society are the hardest workers in school—and the busiest!

OFFICE WORKERS

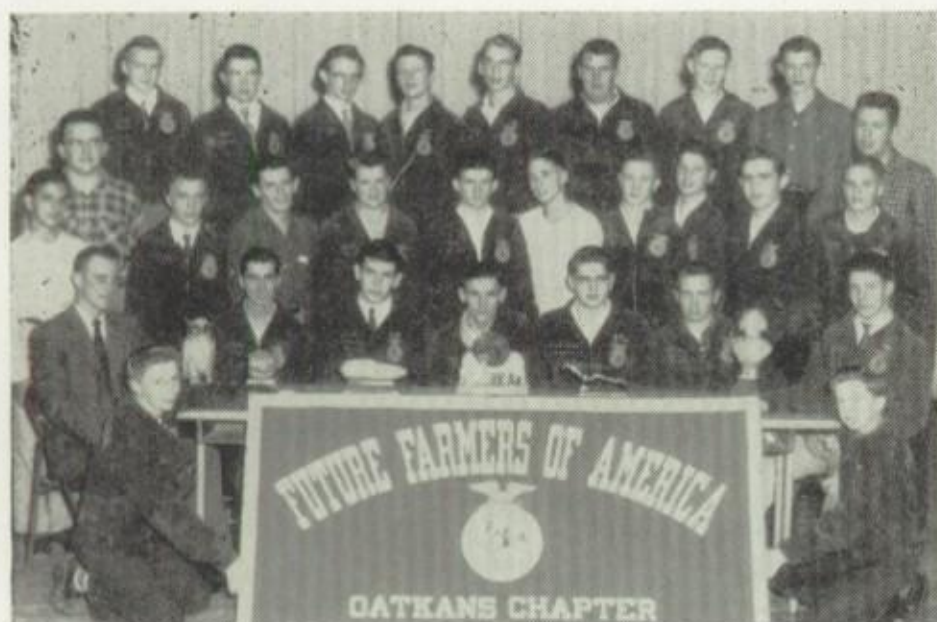

HISTORICAL SOCIETY

The purpose of the Hartwood Chapter is to better understand our community, state, nation and world. The major objectives are to learn more about our community. Membership is open to any student in grades 7-9. A prospective member has to be recommended by two or three teachers. The members have to write a 100-200 word composition stating why they want to join.

HISTORICAL SOCIETY

Clubs

FUTURE FARMERS OF AMERICA

The members of the F. F. A. are high school boys enrolled in Vocational Agricultural Classes. The purpose of the F. F. A. is to develop agriculture leadership, co-operation and citizenship.

The members attend all types of agricultural shows, and some even get a chance to judge contests.

Each year three delegates are selected to attend the State Convention. Officers and members are eligible to compete for various state and national awards.

AUDIO-VISUAL CLUB

The purposes of the A-V Club are many. These are the training in shared responsibilities, service for the school, the teachers, and the community. It also gives the members opportunity to learn the skills in the operation of A-V equipment.

The club is open to all boys in grades 9-12, who wish to learn how to operate the equipment of the club and of the school.

PHOTOGRAPHY CLUB

The two objectives of the Photography Club are the publication of pictures for school publications, and a hobby for those interested in photography. The club is open to any high school student.

The club takes pictures at dances, the senior play and many other activities. Money made from the sale of the pictures is used for the purchase of equipment and other necessities.

STAMP CLUB

The Stamp club, organized in 1955, is eligible to anyone in grades 7-12. The purpose of the club is to give its members a better knowledge of philately, and to become acquainted with the geographical and historical backgrounds of the hobby.

Included in the meetings, which are held every other week, are talks on some of the interesting pointers of stamp collecting.

FUTURE HOMEMAKERS OF AMERICA

The F. H. A. is open to any homemaking student, past and present, in grades 9-12. This nationwide organization has become very active in this area. The F. H. A. sponsors girls, interested in homemaking, for summer camps and other worthy projects. The members go on trips and to shows which concern homemaking. The purpose of the F. H. A. is to train girls in the high school homemaking program.

PRESS CLUB

The Press Club, under the guidance of Mrs. Russell, meets regularly once a week for assignments. The club handles all the news and publicity releases for the high school except those of the administration. It furnishes, in connection with the photography club, the pictures for the newspapers. Any student in the high school grades is eligible to join the Press Club.

STAGE CREW

The Stage Crew was organized in 1951 for the purpose of handling assembly programs and other performances. Without the stage crew we wouldn't have any assembly programs. The Stage Crew is composed of boys from each of the classes. This group has charge of all the back-stage work and equipment. The Stage Crew consists of a stage manager and two assistant managers and the crew.

LIBRARY STAFF

The Library Staff members are chosen from interested student volunteers and former library club members. Each member agrees to work at the high school desk in the library at least one period a week. From experience in routine desk work and greater knowledge of books, a student gives service to his school and classmates and increases his own pleasure in books. The student may even acquire a vocational interest in librarianship.

Senior Band

As you walked by the music room or the auditorium this year you may have heard, "All right, birds, get your music out. That is one of Mr. Groth's favorite sayings. Mr. Groth's hometown is Sheboygan, Wisconsin. Prior to coming to Le Roy, Mr. Groth was in the Army and had the 69th. Division Band under his direction. His military training as a band instructor has been of great value in teaching marching techniques.

Starting the year on the right foot, marching practice was begun three weeks before school started. During this time the band officers helped Mr. Groth to get acquainted with all the members of the band. These officers are Doug Scott, Band Captain; Joan MacKenzie, 1st. Lieutenant; and Jack Wilcox 2nd Lieutenant. It wasn't long before all the members in the band learned that Mr. Groth's big aim was to make the band one of the best in this part of the state.

The first event of the band's busy schedule was leading the parade at the annual J. C. Carnival. From the football field to the stage the band went, playing marches and school songs at the football games, then changing the mood completely to such music as "Come Sweet Death" and "Irish Tune from County Derry," for the Student Council Convention, National Honor Society initiation, and the Christmas Concert.

To keep the band members busier than ever, a uniform fund was started. To raise money for this, they sponsored the Eastman Singers for a Christmas holiday choral concert.

After exams the band started their chore of learning new music for the Spring Concert, a grade school assembly, various assembly programs, and the County Music Festival. This festival is the highlight of the year.

Majorettes

The majorettes under the leadership of Jo Ann Battaglia, and the very good guidance of our new band director, Mr. Groth, had a very successful year. After working hard for two years having dances, the majorettes finally reached their goal of \$200.00 to buy new uniforms. The bright red and white uniforms worn by five majorettes and the very attractive white and gold uniform worn by the Drum Majorette added greatly to highlight the band. Last year the girls started a point system for

receiving chenille L's with a gold baton pinned on each one. The two majorettes who received them were Jo Ann Battaglia and Edith Lightholder. This year four new majorettes were added to the squad. With some new and very showy routines, the majorettes entertained during football season, on Halloween and on Memorial Day. The audiences were very pleased with the peppy and sparkling appearance of the majorettes.

Intermediate Band

The intermediate band under the direction of Mr. Earl Groth, the new instrumental director of our school, has had a very successful year. One of its money making activities was that of helping the senior band campaign the town for the sale of tickets for the Dr. Fetler choral group. The profits received from this night of entertainment

went toward the purchasing of new senior band uniforms. The intermediate band has approximately 30 musicians taking part in bringing forth the works of famous composers. To our future senior band members, we would like to express our appreciation for a job well done.

Ensemble

The stringed ensemble, as its name implies, consists of those seeking proficiency with stringed instruments. This is the most recent of the musical organizations and it advent gives promise of better things to come. The O-at-kan welcomes the stringed ensemble and wishes it a long and happy existence.

Junior Chorus

The Junior High Chorus had a very successful year with Jack Jeary,, president; Carol Mancuso, vice-president; John Thorn, secretary; Allen Lindsley and Virginia Stevens, librarians. They appeared at the P.T.A. Open House, the Chritmas Concert and the Spring Concert. At the Christmas Concert they captivated the hearts of their audience as they sang " 'Twas the Night Before Christmas". We owe our thanks to Mr. Lane for another very fine group.

A relatively new, or rather reactitvated, musical organization in our musically-minded school is the Dance Band. Under the tutelage and direction of Mr. Groth, the band has rapidly made its presence felt throughout the building. Although their public performances have been limited to entertaining at assembly programs, the future appears to hold much in store for them. We believe we shall soon see them playing at many of the local dances.

A relatively unknown group in the Le Roy High musical program is Boys' Chorus. Many don't even know that it exists, because Boys Chorus seldom appears alone at concerts or musical festivals. During this 56-57 school year, the Boys' Chorus met 6th period on Mondays. "Turn around Gordie; must you always chew gum Donald; wake up Barry." Comments of this type could usually be heard coming from the auditorium at the beginning of the period. Before the end of the period though, one could hear some good male voices combining to produce some fine listening pleasure. This year the boys chorus appeared many times as the male voices of the Oatkanaires. They appeared twice at Rotary meetings, and were very well liked by the Rotarians. The boys practiced very hard to become gentlemen of Japan for the "Mikado" and helped to make it the big success that it was. Other activities of Boys Chorus were the Christmas Concert, the County Festival and the Spring Concert.

Girls' Chorus

High school girls added to their appreciation and knowledge of music and had a marvelous time by their participation in this year's Girls' Chorus. Under the capable direction of Mr. William Lane the chorus has effected a fine blend of voices and an excellent tone quality.

Their first public performance of the year was their appearance in the annual Christmas Concert. Their selections were, "The Snow Legend", "Jesu, Priceless Treasure", and "The Sleigh."

On April 12th the chorus received a very high rating at the County Music Festival. Diction and tone quality were judged as the strong points by the adjudicators. "Flow Gently Sweet Afton", "The Quest", and "Lift Thine Eyes" were the songs presented.

At the Spring Concert in June the girls did a magnificent job. Particularly commendable was the series of three songs from "The King and I",—"Whistle a Happy Tune", "Hello Young Lovers", and "Getting to Know You".

It's not the easiest job to teach a group of slightly unpredictable girls but Mr. Lane is to be praised for his patience and good humor along with his great directing ability.

OATKANNAIRE OFFICERS

P. Boylan, K. Jenner, D. Fiero

The Oatkanaires have enjoyed a very active and successful year under the able direction of William T. Lane, Director of Music. During the sixth period on Tuesday and Thursday one can hear this selected group of senior high boys and girls rehearsing with enthusiasm and willingness many types of songs. On November 16th and 17th we had fun presenting the Mikado by Gilbert and Sullivan in the Memorial Auditorium before an appreciative audience. This year we have worn with great pleasure and pride our new black cossack-type choir robes with the scarlet stoles. On December 12th a program of Christmas Music was rendered at a meeting of the Rotary Club. We sang several selections at the Christmas Concert of the Music Department on December 19th. In April we attended the Genesee County Music Festival at Oakfield where we were given a high rating by the adjudicator for our work. Our selections at the Spring Concert in May brought to a close a very successful year.

The Mikado

Operetta

The annual operetta given by the Oatkannaires was well received in November by two large audiences. This year Gilbert and Sullivan's popular and famous "Mikado" was presented.

In order to avoid marrying Katisha, an elderly lady, Nanki Pooh, ran away from the court of his father, The Mikado of Japan. Nanki disguised as a musician fell in love with Yum-Yum, a ward of Ko-Ko. As many schemes were worked out during the operetta, Ko-Ko was forced to marry Katisha, and thus the marriage of Nanki Pooh and Yum-Yum was able to take place.

The cast included Kanki Pooh, Richard Schmelze; Pish Tush, David Griffith; Ko-Ko, Richard Mogavero; Pooh Bah, Charles Panepento; Yum-Yum, Judith Hayward; Pitti-Sing, Sandra Scott; Peep-Bo, Ann Cromwell; Katisha, Carol Nicholson; and the Mikado, Donald Antinore.

The music for the operetta was provided very artistically by Mr. Lane at the organ and Jo Ann Battaglia at the piano.

The music department of L.H.S. has undergone two major changes this year. The first was the addition of a new musician to the faculty in the person of Mr. Groth. The next was a change from two preliminary bands to a three band system. This was necessitated by increased band membership.

Students from grades four through eight are members of these preliminary bands. Beginner band accommodates fourth through sixth graders; seventh and eighth graders are eligible for Junior Band. The Intermediate band consist of those who are the "cream of the crop" and who will proceed directly to Senior band or are now members.

Football

Le Roy's O-At-Kan knights this year, what thru a building process, felt no mercy at the hands of the other C.W.C. teams, many of whom were exceptionally well equipped to meet the Red and Black. The Knights last year placed second in the conference.

Starting the season off against an Irondequoit squad, paced by two-time all conference choice Ken Slater, the Knights went down to defeat 35 to 6.

In the second encounter of the season the Knights bounced back from defeat with a magnificent team win led by Sophomore halfback Laney Furr, quarterback Russell O'Geen and Doug Scott. O'Geen passed to Furr twice for scores and the speedy sophomore scored once from his half back slot on a running play. Scott scored the last T.D. on a running play from the thirty yard line after the Le Roy line, which had played an exceptional game all day, had mowed down the East Rochester forward wall. Outstanding linemen and defencemen for the day were Co-Capt. Dave Abbott, Larry Reid, Sam Maloni, Sam Misiti, Joe O'Geen and Joe L. Frank.

Le Roy the following week traveled to ever powerful Brighton High where the Barons,

led by two fast backs by the name of Repsher and Heller, drubbed the Knights 35 to 6. This game proved that Le Roy was still very inexperienced in some positions, especially the ends. Joe Antinore scored the only T.D. against Brighton and is the only Knight who has scored against the Barons in the games that have been played the last two seasons. Last year Antinore scored on a 80 yard kick-off return.

Returning to their home stamping grounds at Hartwood Park the following week, the Knights led Webster 13 to 0 at the half. In the second half Webster bounced back for 27 points while holding Le Roy to their 13. The Knights outplayed the Ridgemen and held their rushing attack, but Webster capitalized on a couple of pas interceptions and fumbles to win. O'Geen passed to Furr for one T.D. and Junior halfback Rod Steverson ran twenty-three yards for the other.

Traveling to Fairport the following Saturday, Le Roy was hampered with injurys and used Freshmen and Sophomores in the starting line up.

In the following games with Canandaigua and Newark, Le Roy was beaten by scores of 45 to 0 and 31 to 19 resepectively.

In the final game of the season the Knights

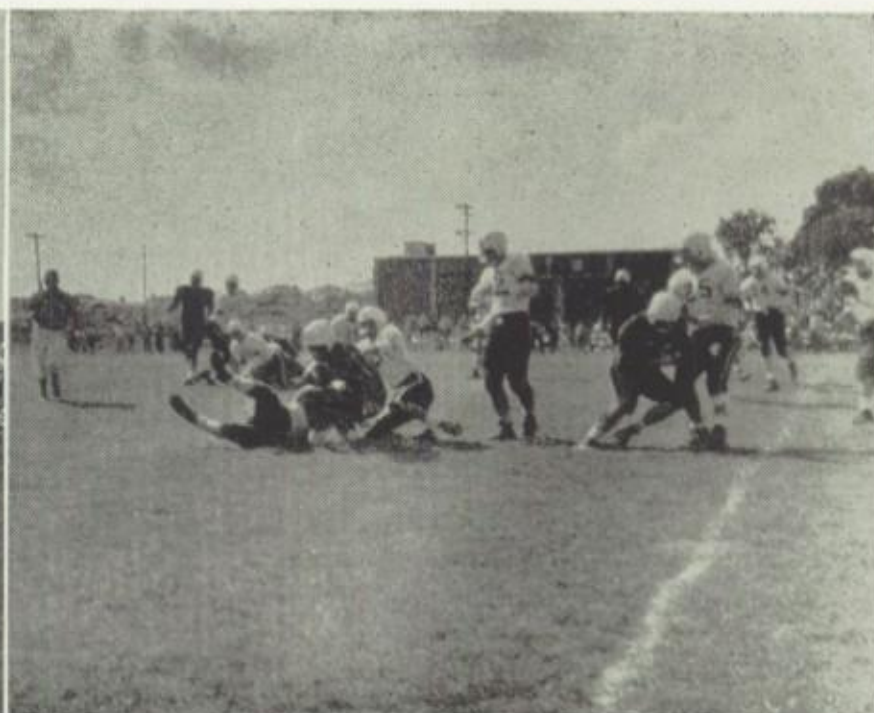

Varsity

fought a tremendous battle with a classy Batavia team, but a kick-off return T.D. in the second half proved to be the margin of victory for Batavia although they never crossed the mid-field stripe after that. Statistically the Knights were way out in front even on passing, although the game was played in a snowstorm. Batavia won 13 to 6.

Outstanding during the season were Co-Captains Russell O'Geen, and Dave Abbott, Doug Scott, Micky Lapp, Larry Reid, Glenn White, Joe Frank, Sam Maloni, Brian Clark, Ron Shirley, Joe O'Geen, Sam Misiti and Roger Rogers, who was hampered by injuries most of the year. All of these boys will be lost either through graduation or ineligibility.

Varsity Basketball

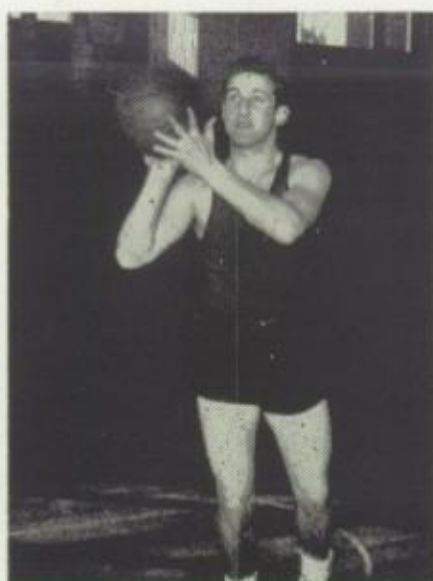

This was an unusual season in many respects. The team started off the season with straight wins over Attica, 51-32; Letchworth, 45-25; and Byron-Bergen, 38-24. Then in the Batavia game we lost the ball innumerable times under the pressure of Batavia's full court press and consequently lost 45-30. Then the Medina game showed the Le Roy defense to be one of the best in the area as we held the high scoring five to 40 points and collected 45 for ourselves. After the vacation the home quintet returned to the hard woods to set a local scoring record. The team was Attica, the place was the local gym and the score was 80-48. Paul Boylan and Jack Wilcox led the record breakers with 19 and 18 points respectively. Next the Oatkan Knights journeyed to Perry and there stopped the high scoring Andrews at the 8 point marker, while racking up another victory by the score of 51-48.

Our first league game was the most exciting in local memory. At the end of regulation time the score was 44-46 with Albion in the lead; however, Bob Hamister had a "one and one" foul coming. He made both shots and tied the game. Bob then proceeded to pace the locals with a field goal and more clutch foulshooting which left the game in a 52-all tie at the

end of the first five minute over-time. The second and sudden-death over time was in its final five seconds when Lee, the Albion center, was fouled by Bob Hamister. His show of histrionics is now history as is the fact that he won the game on the two foul shots.

Our next game proved to be the down fall of the team. We scored 3 points in the first quarter and had a total of 25 points at the final whistle, against the 33 collected by the Letchworth five. The next game proved to be our last win as we took a close one from Oakfield 40-39. The next four games were far from the standard set by our team at the beginning of the season. We lost to Albion on the opponents court in a good game 68-61. Next on the docket we lost to a fair Geneseo team when our two biggest men, Wilcox and Boylan, fouled out with the game tied and five minutes to go. The final score was Le Roy 38, Geneseo 51. We next entertained Oakfield with the league title all ready clinched by Albion. Oakfield beat the home five by the score of 33-45. The last game of the year was against the arch rivals on the Batavia court. The score was 59-39 with Bill Graney doing a fine defensive job holding the Batavia spark-plug to a single point.

So ended the basketball season for the years '56-'57. The potentially good team bogged down in mid-season and never regained the winning ways of the beginning of the sason.

Baseball

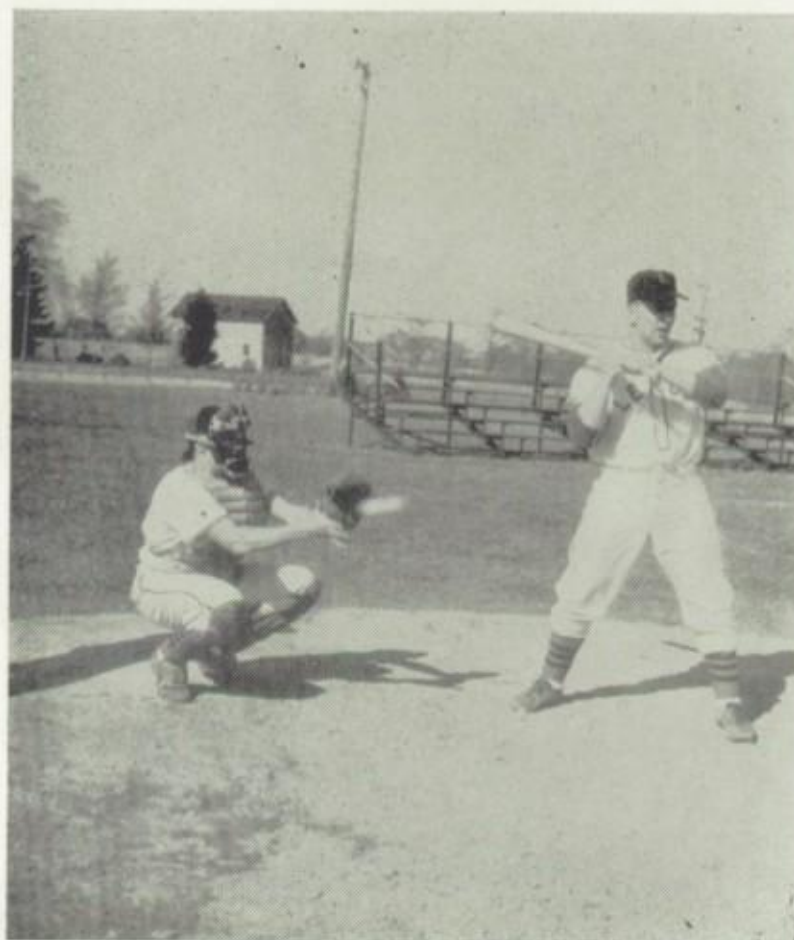

At the time this writing was handed in, the 1957 baseball season had not yet begun. However, the young mens' fancy had already turned to the upcoming "smack" of bat against ball, the thoughts of soreness after those first rugged workouts, and the butterflies in stomachs before the first game.

The varsity aspirants were looking toward the sky, hoping for sunshine and warm weather, a lack of which hindered our batsmen last year. This year's team was composed of a relatively great number of seniors. Lost through graduation last year were only four ballplayers, Don Paladino, Brian Niccloy and Sam Tabone, infielders, and Wayne Collins, an outfielder-pitcher. The seniors on the squad this year could remember the closeness of their drive to the sectionals in 1956, and were all determined to reach that goal.

Many say that the pitching staff is the core of the ball club. If so, Coach Jay could expect a wealth of varsity mound experience. Russell O'Geen, Dave Abbott, Hunter Alexander, and Jack Wilcox all did some fine hurling last year for the varsity. Before the season starts there are always questions and possibilities of one of the hurlers from the JV squad making the grade and adding extra strength.

Three juniors who had become eligible to get a varsity berth after playing on the JVs were Ted Thorn, Doug Fiero, and Bob Dedman. The other two juniors with previous baseball experience, Lee Cravatta and Ed Yauchzee, were with the varsity last season and were looking to solidify a starting position on the club this year.

Reid at the Bat

Other returnees to the Knights who have had varsity experience include Roger Rogers, a catcher, Larry Reid, an infielder-outfielder, and Allan Cohen, an infielder, all of whom have been playing varsity ball since their sophomore year. Doug Scott, an outfielder, also has varsity experience, and will be eligible to roam the outer pastures again this year.

At the beginning of the 1957 season Coach Jay had 11 returning lettermen, all of last year's returning players, to try to better last season's good record of 7-4. You *O-Ai-Kan* readers know if they made it or not.

Football

Junior Varsity football which seldom attracts very much attention this year proved just the opposite. Coached this year by Roger Harrison and Arthur Hillis of the high school faculty, the Junior Varsity played six games, piling up a total of 132 points to none for their opponents. The J.V.'s met Avon in the first test of the season downing that squad by a score of 39 to 0. Meeting Irondequoit in the next game they beat that Monroe county team 19 to 0. In the following weeks they downed Medina 31 to 0, Brockport 12 to 0 and Caledonia 12 to 0 in that order. Playing a flashy Dansville team for their season final, they went scoreless for the first half, but opened up in the third and fourth quarters, sparked by a tremendous team effort and went on to win 19 to 0.

Coaches Harrison and Hillis deserve the highest praise for producing such an outstanding, undefeated, unscored-upon ball club.

Basketball

After the J. V. football team had done so well the boys who played basketball refused to be out done and started off the season with six straight wins. The first game was played at Attica where we took a 41-27 decision with Chuck Antinore showing the way with 12 points. Lanny Furr proved to be the man with the eye for the next three games. He scored 15 against Byron-Bergen as we won 49-23, and 13 against Batavia as we took our arch rivals 41-32. Lanny came through with another 13 as we trounced Medina 41-21. Then Dave Williams, who had been the king of the back boards, broke into the scoring spotlight with 14 points as we rolled over Attica 43-21. Then for three more weeks Lanny dominated the scoring honors with 12 against Perry as the Junior Knights had their closest game, winning from the Blue and Gold 33-27.

The first semester was finished and no junior varsity team had been beaten. Then the Albion team invaded the local gym and handed the boys a decisive 39-26 beating and Furr collected 11 for the losing cause. Letchworth was next on the list of games and with this in mind our boys were more than equal to the task as they pounded out a 58-30 victory. Lanny Furr tallied 19 points and scored 6 points within about 30 seconds. Dave Williams and Lanny Furr teamed to push 17 and 15 points through the meshes as we lost

a squeaker to Oakfield 43-44. Then Antinore was again the high-point man as he scored 12 and the little Knights came out of the Albion gym beaten 40-39. This was an unusual game in the respect that an Albion player got the ball off the backboard, met some opposition, dribbled the length of the floor, shot from the foul circle all within 2 seconds. This seems impossible, but you don't argue with referees.

We now had a record of 7-3 and were to make it a 10-3 record in the next three games. In the Geneseo game Furr tallied 19 and paved the way to a 50-46 win. Then in the next game he almost single-handedly beat Oakfield, scoring 21 out of 39 points, as they only picked up 31 points in a losing cause. Then in the final game of the season, Dick Prinzi came out of reaches of Coach Barrone's trick bag to lead the junior Knights to their second victory over the Blue Devils. Lanny Furr, not to be completely out of the scoring spotlight, meshed 14 points to put his seasons total at 179 points. To give credit where credit is due, Dave Williams was probably the most underrated star on the team. In many games the story might well have been just the reverse if it were not to his domination of the backboards. The team had a good year and Mr. Barrone has another winning season to his record, which lists many such seasons.

Baseball

The 1957 aggregation of the Le Roy Junior Varsity had very big shoes to fill. The record books show a tremendous 1956 JV showing. However, Coach Longhini is fortunate to have 11 of those big shoes eligible to be filled by last year's owners. Yes, there are 11 sophomors who coming freshmen and returning sophomores jelled played on last year's ballclub and who will try

to keep up their winning ways.

Since this assignment was due before play got under way, we are sorry we cannot bring the results to you, but we have a feeling that the upcoming freshmen and returning sophomores jelled and enabled the JVs to give a very good account of themselves.

The JVs seem to have pitching strength available in Bob Taylor, Joe LaRocco, Dick Prinzi and Bob Woodruff, all who pitched last year. Another encouraging fact is that three-fourths of last year's infield is returning; Tony Tabone, Lanny Furr and Charlie Antinore. Other returnees include David Williams, Dale Cohen and John Sherman.

Cheerleaders

Rah! Rah! Rah! These are some of the sounds that a passerby would hear when passing through the halls of L.H.S. The busy cheerleaders practice twice weekly, after school.

This year the squads went to Hamburg to attend a cheerleading clinic. An expert on cheerleading techniques gave them pointers on the

"do's" and "don'ts" of cheerleading. This advice was carried back and put into full force at the next practice. The squads eliminated cheers, added new ones, and did many other repetitions which helped to regain the spirit of the team and of the students of L.H.S.

Athletic Association

Upon entering their Freshman year all girls in Le Roy High School automatically become members of the Girls Athletic Association. This is a non-profit organization established to offer students the opportunity of participation in many sports.

The athletic program of our G. A. A. offers instruction, interclass competition, and special sports days in soccer, basketball, bowling, volleyball, badminton, table tennis, folk and square dancing, tumbling, swimming, tennis and softball. It is hoped that every girl leaving Le Roy will take with her a knowledge and interest in some activity that she will enjoy in the future.

Besides just getting enjoyment out of the participation in sports, the girls also have a chance to receive awards. To receive an award, the girls are required to have a certain number of points. For each sport offered, points are given in the following manner: 5 points for each game played, 10 points for first place, 5 points for second or third place, 10 points for captain, 5 points for referee or umpire, 5 points for scorekeeper, 10 points for participation in Tri-County Sports Day, 10 points extra for placing in Tri-County Sports Day, and 5 points for each set played in either badminton or tennis. The awards received and the number of points required are as follows: 175 points—Class Numerals, 300 points—Shield, 500 points—Block Letter L, 725 points—Gold Key.

One of the most popular sports in the G.A.A.

program is Bowling. It is run during the winter season and lasts about twelve weeks. There are many girls who participate in this program and therefore it is held three nights a week. These three different leagues meet on Tuesday, Wednesday, and Thursday nights. Each league has eight teams comprised of five-girl teams, and the season is started with two practice sessions. From these sessions, the scores are averaged and the captains are selected. The teams are then organized with girls of high and low averages on the same team. In this way, the teams are fairly equal in ability. Each league has its own managers and scorekeepers. At the end of the season, five girls with the highest averages represent Le-Roy in the Tri-County meet.

Our G.A.A. is a member of the Tri-County athletic association. The schools included in this association are Akron, Alexander, Batavia, Byron-Bergen, Corfu, Elba, Holly, Kendall, Oakfield, and Pavilion. Among the sports included in these intermurals are, soccer, field hockey, basketball, volleyball, bowling, badminton, swimming, and softball.

Choosing the officers for G. A. A. this year was quite a difficult task because there are many capable girls. After the voting had taken place, these were the final results; co-presidents are Sandra Baker and Joan Roth, vice-president is Carol Reamer, secretary is Sharon Scott, and treasurer is Christine Graney. Of course, one person we could not do without is Miss Dorothy Dougan, our adviser and coach.

Athletic Association

The B. A. A. is the Boys' Athletic Association. At the beginning of this year in the gym classes, the members of the BAA elected Bill Graney as president, Paul Boylan as vice-president, Bob Furr as secretary and Bob Hameister as treasurer. The organization is under the direction of Mr. Jay, high school boys' physical education director. All of the athletic activities of the high school boys come under the wing of the BAA, which is composed of all the boys in the high school. The principal duties of the officers is to help check the expenditures and receipts of the Athletic Association while the members sell advance tickets for athletic events and publicize these events by such methods as distributing posters to the various stores on Main Street.

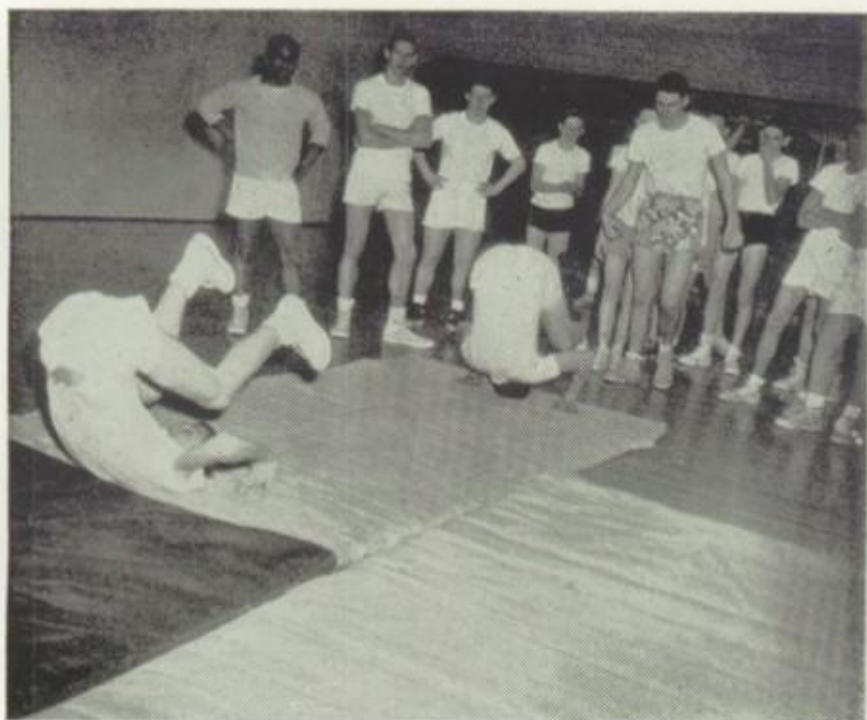

One of the most highly anticipated events of the school year is the handing out of the BAA awards, which is done in assembly programs in December and June. The award is a large chenille L on which appears a symbol representing the sport or sports that an individual has earned a letter in. To earn a letter in baseball a person must play in two complete seven-inning games; in basketball he must play in the equivalent of three full games or 96 minutes of play; in golf he must participate in three-quarters of the meets. In all other sports

the awarding of letters is left to the discretion of the various coaches who work out an equitable system based on an individual's contribution to his team.

The Boys' Athletic Association is not an organization which participates directly in many money-making activities such as dances, bake sales, skating parties and the like; but its position in the school is an important one. In addition to such major sports as football, basketball, baseball and track, it manages such so-called secondary sports as golf and the junior varsity teams and even other events like ping-pong and volleyball which are provided for the student body.

It is organized in such a way as to make some type of sport activity available to any boy in the high school who desires it. This permits others besides those who can play a major sport to take part in competitive sports where otherwise they might be neglected. The aim of the organization is to make everyone a sportsman. We feel that Le Roy is a better school because of this and that Le Roy students are happier and better behaved because they do have a legitimate outlet for energies that have been kept pent up by spending hours in classroom activities.

Track and Field

Two years ago, after a considerable period of absence, Le Roy again fielded a track team. This year being no exception to the new formed rule, we again put forth our best in the sport of track.

The track team is made up of all boys in grades 9-12 who wish to participate in the sport. Under the direction of Mr. Bell, the team plays area schools in meets both home and away. One of the highlights of the sea-

son is the "Le Roy Relays", which are held every year out on the Hartwood Field. Letters are awarded at the end of each season to those boys who have earned 10 or more points. The points are given on the basis of how the individuals finished in his particular events. Five points are given for finishing first, three for second, and one for third. Those who can qualify may also participate in sectional play against the best that area schools have to offer.

Golf

Le Roy is a member of the Tri-County Golf League which includes Brighton, East Rochester, Irondequoit, Pittsford, Allendale and Dansville. This years returning lettermen are Ralph Real, William Graney, Barry Heywood, Ronald Wetzel, Bruce Hutchinson and David Bryant. Mr. Kurth is the instructor and drives the team to all their

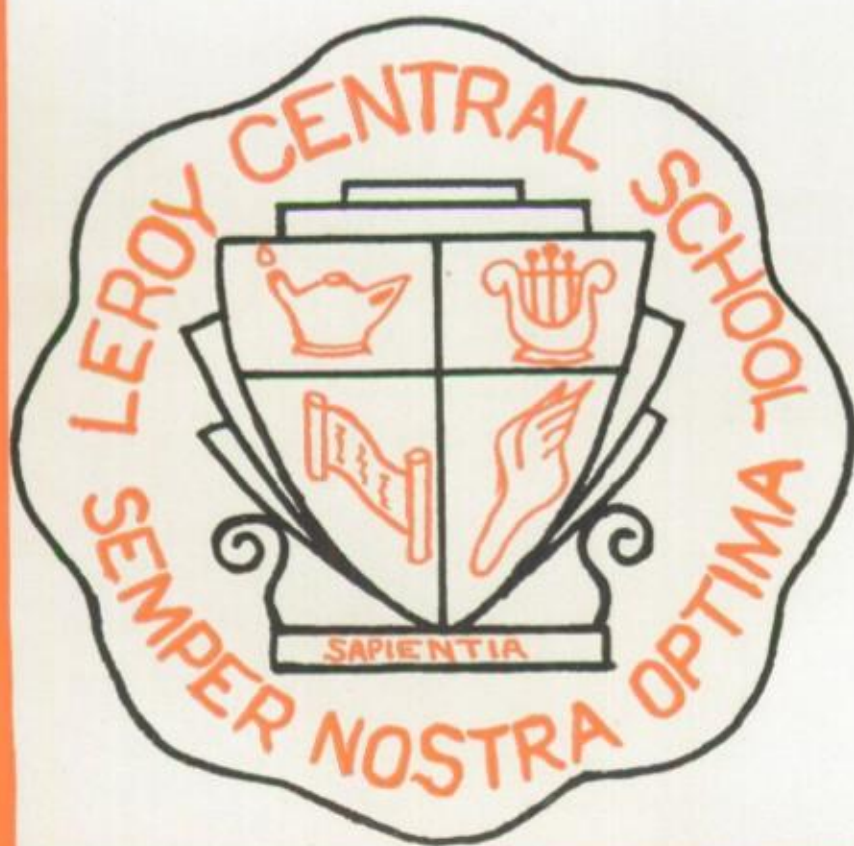

matches. Last years victories were over East Rochester, Irondequoit, and Pittsford. Their over all record stood at four wins, five losses and a tie. Golf meets are played on a Friday afternoon at the Le Roy Country Club. This year the club shows promise of being one of the strongest in the league.

Seventh Grade

The seventh graders recovered temporarily from the first shock of becoming high school students and elected Dortha Robinson to lead them through the maze of high school life. Following up were Jerry Seely, vice-president; Joan Rumsey, secretary; John Thorn, treasurer; and Donna Jeary, representative-at-large. Each homeroom chose a leader. Carol Schlonski, Martha Perrone and Bonnie Bradbury were elected first semester. For the second semester Carol Schlonski and Martha Perrone were re-elected but Roger Digit took Bonnie Bradbury's place.

In the fall the seventh grade Citizenship Education classes each spent a class period at the Le-Roy House. Everyone enjoyed this and learned a great deal about the way people lived in the times of early Le Roy. Many seventh graders participated in junior high chorus and intermediate and Junior Bands.

In February, many of the seventh graders participated in the Junior-Hi assembly. This assembly was based on the Mickey Mouse Club television program. Many seventh graders discovered a great deal of talent in their midst that day in particular.

On March 22, nearly all the grade turned out for a skating party. Towards the end of the year the seventh grade had a class picnic. Filled to the top with hot dogs, pop and potato chips all had a good time. The advisors thought that perhaps there was a contest among the boys to see who could eat the most. Laughing and singing brought the picnic and a wonderful year to a close. The seventh grade has successfully reached the end of one part of the maze of high school life. Best wishes to them as they continue.

The fine looking group of boys supplied the male musical talent and part of the comedy for the assembly program.

Eighth Grade

We had a fine year under our president Jack Jeary and started on the road that will lead us to our senior year and graduation. Jack could not have done this job alone and he got lots of help from Linda Brodie, our vice-president, and Bonnie Hillman, our secretary, while David Stevens was taking care of the treasury. Douglas Bennetti, Willis Beal, Karen Dusen, Bonnie Hewes, Karen Regone, Bonnie Hillman, Irene Rizzo, and Debby Stevens were our representatives in the Student Council.

At this time we would like to thank our advisors, Miss DeVoe and Mr. Rudman for all the help they gave to us in putting on our activities and for all the helpful advice they gave us while we were passing through the eighth grade. With the help of our advisors we put on the Bop Hop, a record dance, which was well attended and gave us the needed experience to put on even better dances in

the future. The highlight of the year came when we were to put on the assembly for the school. We chose a talent show and based it on the Mickey Mouse show on television. Almost everyone in the eighth grade had a part in the show and it was a very big success. We also had a lot of help from Mr. Hillis and Mr. Taber, besides the help from our regular advisors.

Our class was very active in the sports of the school. Our seventh and eighth grade team had a very successful season now they will have the basis for a good year next year on the Junior Varsity. The team without support from the stands isn't going to do the best it can. Never let it be said that the boys this year didn't have this support.

Linda Brodie, Carmen Iannello, Linda Lambein, Catherine Parnell, Sharon Platek, and Linda True were the women behind the men on the court.

Junior High

Beauty and talent were combined in a pleasant package when these girls entertained the student body as part of the assembly program.

Freshmen

The Class of 1960 entered high school with a burst of vitality and optimism. Our goal: to have a worthwhile and wonderful freshman year. Did we succeed? There may be some who disagree with us, but we think we did.

Our first step up the ladder of success was the election of capable leaders. Daniel O'Shea was chosen president, James Woodruff, vice-president; Rose Ann O'Geen, secretary; and Christine Graney was elected treasurer. The climb was to be a hard one, but we were fortunate to have such advisers as Mr. Dumont, Miss Fortmiller, and Mr. Kurth to lean on, to keep us steady, and to make sure our footing was secure.

Selling candy and pop at a stand set up in the corridor during basketball games was our next step. This activity meant many hours of work, but it was pleasant work and it helped fill our treasury.

In December we decorated the gym with a shower of snowflakes and held our first dance with an orchestra, "The Snowflake Serenade." The gym was beautiful and the dance a financial and social success.

A baked food sale in February proved very successful. Most of the customers were fellow freshmen, so the sale made for full class stomach as well as a fuller treasury.

The ability and enthusiasm of the whole class was indicated by the number of freshmen boys who played on the J. V. football, basketball, and baseball teams and also by the freshmen girls who were cheerleaders. We even had a classmate on the varsity football squad.

Now that we have passed the ninth rung of the ladder to the top, there is no looking back for us. Straight to the top! We only hope that the next three years hold as much happiness and enjoyment for us as the past year has held.

A class committee of ninth graders interested in dramatics make plans for a class play. The plans may have been good, but the play didn't materialize.

A band of happy, enthusiastic Freshmen meet in the Latin room to lay the groundwork for their forthcoming assembly program. There's vocal talent galore.

Sophomores

The Class of "59" proved its worth to the students of Le Roy High School this year in many different fields.

To guide us smoothly and wisely through this year, we handed the reins over to the capable hands of Joe Lapp, who was ably assisted by Karen Keefe. Sam Myers took over the job of recording our many activities, while Larry Munt acted as the financial wizard.

The fun and frolic for our Sophomore year came in the form of the "Sophomore Assembly" and our dances, "The Snowflake Shuffle" and a spring dance. Along with the gaiety of putting together our comical assembly, which was complete with "chorus girls" hillbillies, and singers, we also learned to click together as a team.

Our more serious side was shown at Christmas time when we dug into our pocket to help bring the joys of this season to a needy family.

The future housewives of the "59ers" experimented with cooking to aid in a very successful baked food sale, although, as with the Sophomore refreshment stand, we must admit we were our own best customers. For those who patronized it, many a memorable incident can be recalled.

Our class rallied to revive the annual Sophomore Speaking Contest. Many topics were discussed and the judges chose Sharon Scott and Sam Myers as winners with Karen Leitner and Dale Cohen as runners up.

We were certainly not lacking in athletic ability or musical talent. Sophomore boys participated in sport activities with a chosen few making the varsity squads. Urged on by the enthusiastic cheering of Jane Boyd, Lois Hackett, Donna Heaman, and Karen Leitner, it is no wonder the J.V. teams did so well. In the field of music the band and choruses were also well supplied with Sophomore talent.

The highly successful Sophomore assembly featured a rock and roll trio with Bruce Hutchinson and Don Vickers accompanying Ron Paladino. The joint really rocked.

Jane Boyd, Judy Fierc and Joyce Kinsley help decorate the gym for the big winter social event of the Sophomore class, the "Snowflake Shuffle".

Juniors

The greatest event of the year for this class of 1958 was the Junior Prom, which was held November 22nd. With "Stairway To the Stars" as their theme and Bill Sherman providing the music, it was one of the most lovely occasions of the year. Josephine Costa was chosen queen of the Prom and her escort James Antinore was crowned king.

To lead them in their junior year they chose Wendall Call as their President. Backing Wendall was John Tompkins as vice-president. As secretary Shirley Pfaff was elected to keep track of class business and Douglas Fiero, as treasurer, handled the money.

The advisers for the junior class were Mr. Roger Harrison, Miss Kathleen Harold and Mr. James Perrone.

Among the various activities sponsored by the junior class to raise money was a bake food sale on the 27th of October. On February 9th the junior class held an all round dance, with music by The Bowmanaires.

The selling of sweatshirts was another junior project. One hundred and forty sweatshirts were sold in all to 6th grades as well as high school students.

The junior class had a very worth while project this year. They took a collection for the March of Dimes. To promote the drive they had a contest for choosing a king and queen for the March of Dimes. The contestants were chosen from the junior class and for each vote the student made for their choice they had to include one dime to the March of Dimes fund. The boy and girl receiving the greatest amount of money were the king and queen. Wendall Call and Sally Seekins were crowned king and queen of the March of Dimes.

The most carefree students in school seem to be juniors. They always have a cheerful smile for everyone. Little do they realize what their senior year has in store for them.

A class committee in Mr. Bell's 11th grade Citizenship Education Class prepare a bulletin board and a report on the amendments to the constitution.

The highlight of the annual Junior Prom is the selection of King and Queen.

Here are Jim Antinore and Josephine Costa after their crowning.

SENIOR OFFICERS

Standing: J. Pollock, N. Hackett

Seated: W. Graney, D. Griffith

Here we are at last! All of us have traveled the long road together and now we consider ourselves as one large happy family.

We owe much to our advisors who helped us greatly through their untiring guidance and efforts. Hats off to Mr. Taggart, who acted as commanding officer, Mrs. Graham, Mrs. Wollenberg, and Mr. Blanke. Drafted by the class for various duties were Dave Griffith, class president; Bill Graney, vice-president; Nancy Hackett, secretary; and John Pollock, treasurer; guarding all that money.

You had better believe it when one says the last year is packed with activities galore, an infinite number of things to do, and a limited time in which to do them. This year was no exception for our gang of eager beavers. Our first undertaking was the traditional selling of refreshments at the stand during football season. Everyone pitched in and helped make it a huge success. Hot coffee for any of you frozen Seniors? The same held true in December with the annual spaghetti supper. The school building and grounds found themselves right in Christmas season with the beautiful tree which really brightened up the place at night.

March was a busy month with the class attending the fabulous Rotary Show, the excursion to the Ice Follies in Rochester, and last, but far from least, that unforgettable senior play, "Buy Me Blue Ribbons". From March till June we really motivated at a rapid pace! One large project was making plans and arrangements for our wonderful senior trip in June. Another memorable occasion was the annual Tountas Supper which proved very beneficial to all who attended. The class night committee got their heads together and came up with some hilarious ideas which were directly responsible for a great show that Friday night. Saturday we held that unforgettable senior ball; Sunday, Baccalaureate services; and Monday we proudly walked across the stage for our diplomas at the sixty-sixth Commencement exercise at Le Roy High School.

Leaving our dear old Alma Mater causes a tear to swell up within us. It has been our home for the past twelve years. As we all go on in life, each his own path, we will always remember the years of joy and friendship which we have shared.
